Meira EP, Black A. In touch and on the move: mobility devices and tactile cues aid with balance control. *PT-OT-Speech*. 1998;6(42):7-8.

Presentations/
Faculty:

Advanced Evaluation and Treatment of Hip Pathologies • North American Seminars • Multiple locations throughout United States • (2013-Present)

Understanding Science, Pseudoscience, and Protoscience: Applications to Physical Therapy Practice • North Texas District Meeting • Texas Physical Therapy Association • (2014)

Combined Sections Meeting • American Physical Therapy Association • Sports Section Program Chair • Las Vegas, NV • (2014)

Combined Sections Meeting • American Physical Therapy Association • Sports Section Program Vice-Chair • San Diego, CA • (2013)

Postoperative Management of the Injured Hip • Team Concept Conference International • Sports Section of the American Physical Therapy Association • Las Vegas, NV • (2012)

Examination of the Athlete's Hip • Team Concept Conference International • Sports Section of the American Physical Therapy Association • Las Vegas, NV • (2012)

Understanding Intra-Articular Hip Pathology: Overview of Diagnosis, Surgical Correction, and Rehab Management • Oregon Physical Therapy Association • (2012)

Understanding Science, Pseudoscience, and Protoscience: Applications to Physical Therapy Practice • Annual Conference • Oregon Physical Therapy Association • (2012)

Combined Sections Meeting • American Physical Therapy Association • Sports Section Program Vice-Chair • Chicago, IL • (2012)

The Future of Physical Therapy: Autonomy and Professionalism Through Evidence-based Practice and Novel Business Models • Combined Sections Meeting • American Physical Therapy Association • Chicago, IL • (2012)

The Many Faces of Sports Physical Therapy • Combined Sections Meeting • American Physical Therapy Association • New Orleans, LA • (2011)

Arthroscopic Hip Surgery – Post-Surgical Orthopedic Rehabilitation • PT 2010 Annual Conference • American Physical Therapy Association • Boston, MA • (2010)

The Role of the Hip in Lower Extremity Injuries in the Female Athlete • Combined Sections Meeting • American Physical Therapy Association • San Diego, CA • (2010)

The Many Faces of Sports Physical Therapy • Combined Sections Meeting • American Physical Therapy Association • San Diego, CA • (2010)

Current Concepts in Evaluation and Treatment of the Complex Hip • Pre-Conference Symposium • Combined Sections Meeting • American Physical Therapy Association • San Diego, CA • (2010)

Current Concepts in Evaluation and Treatment of the Complex Shoulder • Lab Assistant to Todd S. Ellenbecker, MS, DPT, SCS, OCS, CSCS • Portland, OR • (2010)

A Master Clinician's Approach to Advanced Concepts in Examination and Treatment of the Complex Shoulder • Lab Assistant to George J. Davies, PT, DPT, ATC, SCS, CSCS • Portland, OR • (2008)

Current Concepts in Evaluation and Treatment of the Complex Shoulder • Lab Assistant to Todd S. Ellenbecker, MS, DPT, SCS, OCS, CSCS • Seattle, WA • (2008)

The Complicated Patient: Atypical Snapping Hip in a 15-year-old Female Soccer Player • Combined Sections Meeting • American Physical Therapy Association • Nashville, TN • (2008)

Hip Arthroscopy: Surgical considerations and rehab protocols • Regional Conference • National Athletic Trainers' Association • Vancouver, WA • (2007)

Current Concepts in Evaluation and Treatment of the Complex Shoulder • Lab Assistant to Todd S. Ellenbecker, MS, DPT, SCS, OCS, CSCS • Spokane, WA • (2007)

Emergency Response Certification Course • American Physical Therapy Association/Sports Physical Therapy Section • Lab Assistant to Teresa Schuemann, MSPT, SCS, ATC, CSCS • Portland, OR • (2007)

Evaluation and Treatment of the Sports/Orthopedic Shoulder • Lab Assistant to Robert C. Manske, DPT, MEd, SCS, ATC, CSCS • Portland, OR • (2007)

Functional Rotator Cuff Training for Pitchers from Youth to College • Sport-Specific Annual Conference • National Strength & Conditioning Association • Dallas, TX • (2006)

Evaluation and Treatment of the Sports/Orthopedic Knee • Lab Assistant to Robert C. Manske, DPT, MEd, SCS, ATC, CSCS • Portland, OR • (2006)

The Aging Athlete • Lab Assistant to David Wallace, PT, PhD • Spokane, WA • (2006)

Current Concepts in Evaluation and Treatment of the Complex Shoulder • Lab Assistant to Todd S. Ellenbecker, MS, DPT, SCS, OCS, CSCS • Portland, OR • (2006)

Clinical Exercise Prescription for Rehab Professionals • Portland, OR • (2005)

Returning the Athlete to Sport: Running, Jumping Throwing • Spokane, WA • (2005)

Clinical Exercise Prescription for Rehab Professionals • Phoenix, AZ • (2005)

Returning the Athlete to Sport: Running, Jumping Throwing • Phoenix, AZ • (2005)

Evaluation & Program Design for Golf • Portland, OR • (2005)

Clinical Exercise Prescription for Rehab Professionals • Portland, OR • (2004)

Returning the Athlete to Sport: Running, Jumping Throwing • Portland, OR • (2004)

Functional Testing for the Lower Quarter • Regional Conference • National Athletic Trainers' Association • Seaside, OR • (2004)

Speed/Power Development and Understanding the Athlete for Physical Therapists • Portland, OR • (2002)

Plyometrics Progression • Portland, OR • (2001)

Understanding Personal Trainer Credentials for Physical Therapists • Portland, OR • (2001)

Exercise Prescription I-II for Physical Therapists • Portland, OR • (2000)

Sickle Cell Anemia and Physical Therapy • George Washington University Physical Therapy School • Washington, DC • (2000)

Current Research and Low Back Dysfunction • Washington, DC • (1999)

Current Research and Low Back Dysfunction • Boca Raton, FL • (1997)

Continuing
Education:

Combined Sections Meeting • American Physical Therapy Association • Las Vegas, NV • (2014)

Annual Meeting • American Orthopaedic Society for Sports Medicine • Chicago, IL • (2013)

Combined Sections Meeting • American Physical Therapy Association • San Diego, CA • (2013)

Annual Meeting • American Orthopaedic Society for Sports Medicine • Baltimore, MD • (2012)

Combined Sections Meeting • American Physical Therapy Association • Chicago, IL • (2012)

Annual Meeting • American Orthopaedic Society for Sports Medicine • San Diego, CA • (2011)

Combined Sections Meeting • American Physical Therapy Association • New Orleans, LA • (2011)

PT2010 Annual Conference • American Physical Therapy Association • Boston, MA • (2010)

Combined Sections Meeting • American Physical Therapy Association • San Diego, CA • (2010)

Annual Meeting • American Orthopaedic Society for Sports Medicine • Keystone, CO • (2009)

Combined Sections Meeting • American Physical Therapy Association • Las Vegas, NV • (2009)

Annual Meeting • American Orthopaedic Society for Sports Medicine • Orlando, FL • (2008)

Combined Sections Meeting • American Physical Therapy Association • Nashville, TN • (2008)

Challenging the Myths in Rehabilitation • Portland, OR • (2007)

Evaluation, Treatment, and Training of the Cyclist • Spokane, WA • (2007)

Combined Sections Meeting • American Physical Therapy Association • Boston, MA • (2007)

Anatomic Double-Bundle ACL Reconstruction • Portland, OR • (2007)

The Running Course • Puyallup, WA • (2005)

Sports Nutrition for Rehab Professionals • Portland, OR • (2005)

Medical Screening Refresher Course • OPTA • Portland, OR • (2005)

Back Pain from a Neurosurgical Perspective • Oregon City, OR • (2005)

Emergency Response Certification Course • American Physical Therapy Association/Sports Physical Therapy Section • Hood River, OR • (2004)

Medicare Certification Course • Portland, OR • (2004)

Foot and Ankle Update • Seattle, WA • (2003)

Current Concepts in Examination & Treatment of the Knee • Seattle, WA • (2003)
